

SHARAD SINGH

Full Stack Web Developer

Barabanki, Uttar Pradesh | +91 8400174269 | ofcsharadsinghthakur@gmail.com
linkedin.com/in/er-sharad-singh | github.com/Er-sharad-singh

PROFESSIONAL SUMMARY

Full Stack Web Developer with hands-on experience in Full Stack Development, building and deploying scalable web applications using JavaScript, React.js, Node.js, Express.js, MongoDB, and MySQL. Skilled in REST API development, Authentication & Authorization, Responsive Web Development, and Database Management, with strong problem solving ability and proficiency in Git & GitHub. Gained practical, real-world experience through internships and full stack projects spanning frontend and backend development.

TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+), HTML5, CSS3

Frontend: React.js, Tailwind CSS, Bootstrap

Backend: Node.js, Express.js, REST API Development

Databases: MongoDB, MySQL

Tools & Platforms: Git, GitHub, Vercel, Render, VS Code, Postman

Concepts: Authentication & Authorization, JWT Authentication, MVC Architecture, CRUD Operations, Responsive Design

PROJECTS

Clicket – Event Ticketing Platform

Nov 2025

Live: ticketwithclicket.vercel.app

- Engineered a full stack event ticketing platform with secure Authentication and Authorization, including Role-Based Access Control for managing user permissions.
- Designed and developed RESTful APIs with Node.js, Express.js, and a MongoDB database to power event creation, ticket booking, and event management workflows.
- Built a responsive UI and integrated it with backend services to deliver a seamless, end-to-end ticket booking experience.
- Deployed and maintained the application on Vercel, ensuring reliable performance and accessibility for end users.

Wanderlust – Travel Listing Application

Sep 2025

Live: wanderlust-7j52.onrender.com

- Architected a travel listing web application following MVC Architecture and responsive design principles for consistent cross-device usability.
- Implemented Authentication, Authorization, and full CRUD operations to enable secure, dynamic listing management for users.
- Built backend logic with Express.js and MongoDB, and integrated third-party services to extend application functionality.
- Optimized application structure for maintainability and deployed the platform on Render for public access.

INTERNSHIP EXPERIENCE

Skill Chase – Web Development Intern

Aug 2024 – Sep 2024

- Developed frontend and backend features using JavaScript and React.js, contributing to core application functionality.
- Built reusable UI components and integrated REST APIs, improving application performance and user experience.

Softpro India – Web Development Intern

Sep 2024 – Nov 2024

- Contributed to full stack web application development, assisting with REST API integration across frontend and backend.
- Improved website responsiveness, usability, and performance across multiple devices through optimization and testing.

EDUCATION

Bachelor of Technology – Computer Science & Engineering

2022 – 2026

Goel Institute of Technology & Management, AKTU Lucknow

CGPA: 7.66 / 10 | First Division with Honours

CERTIFICATIONS

- TCS iON Career Edge – Young Professional
- Problem Solving Through Programming in C – NPTEL
